NOTICE OF INTENT TO AWARD South Yuba Rim Hazardous Fuels Reduction Project – Phase 2

The Yuba Watershed Institute (YWI) announces its intent to award the contract for Qualified Biologist Services under the South Yuba Rim Hazardous Fuels Reduction Project – Phase 2 to **Streamlined Ecological Services**.

This Notice of Intent to Award is subject to execution of a written contract and, as a result, this Notice does NOT constitute the formation of a contract between YWI and the apparent successful vendor. The vendor shall not acquire any legal or equitable rights relative to the contract services until a contract containing terms and conditions acceptable to YWI is executed.

If the apparent successful vendor fails to negotiate and execute a contract with YWI, the YWI may revoke the award and award the contract to the next highest-ranked vendor or withdraw the RFP. YWI further reserves the right to cancel this Notice of Intent to Award at any time prior to the execution of a written contract.

Thank you for participating in the competitive selection process. For information about this notice, please contact the undersigned.
